

Ohio Stands Up! Announces Financial Support for Mendenhall Law Firm Plaintiffs from Ohio University, Bowling Green State University, and University of Cincinnati!

12/04/2021 – Ohio Stands Up! is a 501(c)(4) community-based legal advocacy organization comprised of God-fearing, patriotic volunteers from across Ohio. Ohio Stands Up! is excited to announce our financial support for plaintiffs composed of students, parents, and staff from Ohio University, Bowling Green State University, and the University of Cincinnati. The plaintiffs are represented by Akron-based Mendenhall Law Group. Through our financial support, we are helping to ease the financial burden of plaintiffs seeking to challenge unconstitutional Covid policies through litigation efforts. Ohio Stands Up! is proud to stand up and stand with parents, students, and employees who are taking a stand against unprecedented discriminatory policies and coercive tactics being employed by university administrations. Ohio Stands Up! will continue to stand up and stand with Ohioans seeking legal action against overreaching policies which threaten the individual's right to bodily autonomy and medical freedom. These paramount cases have far-reaching potential to set good precedent for all Ohioans.

Funding for current and future litigation efforts are only made possible through the financial contributions of Ohio Stands Up! supporters. The Ohio Stands Up! Board will continue to review cases that may benefit from financial support and help facilitate fund raising to procure legal representation. If you'd like to donate to our efforts, please visit our website and donate directly to Ohio Stands Up! at <https://www.ohiostandsup.org/get-involved>. All donations go toward legal and educational efforts, and our board members work strictly on a voluntary basis.
